

COVID SECURE – METHOD STATEMENT – STORAGE

The purpose of this document is to outline our practices for handling and servicing of storage cages prior to customer arrival to our premises and guidelines during visitor's time on-site.

Studios

John Henry's storage and breakout spaces are utilised by clients only, they are cleaned and sanitised with anti-bacterial sanitiser daily by professional cleaners prior to opening. This includes door handles, switches, tables, chairs, studio equipment and contactable surfaces.

We are currently operating with reduced opening and closing times of 10am to 6pm – Monday to Friday (this is constantly being reviewed.)

Social Distancing

There is a new clear signage system throughout the facility from the entrance to the building through to studios, restrooms, breakout spaces and to the exits.

Prior to Arrival

Please notify the Studio Manager of your access list of people wishing to access your storage cage 24 hours in advance.

You will need to book a timeslot for any equipment deliveries or collections.

All attendees will need to complete an online Covid Self-Assessment form prior to arrival – failure to complete the form will delay entry.

Customer must appoint a designated point person for collecting/returning Storage cage keys at start and end of visit.

Upon Arrival

Please head to the Security office entrance at the front of the building, notify our Facility point person with your name/storage cage.

You will be allowed entry via an automatic gate to the facility.

If loading equipment in you may request the load in gate is also opened to allow access.

Vehicles are only permitted access to unload/load as soon as they have accessed and parked at the load bay, drivers are not permitted to leave their vehicles unattended.

Storage Reception is located on the first floor – designated key person must head to reception to collect Studio Key.
